

PUBLIC OPEN HOUSE

Please Join Us for Public Open House #3

Thursday, May 29, 2014
6:00 p.m. to 8:00 p.m.

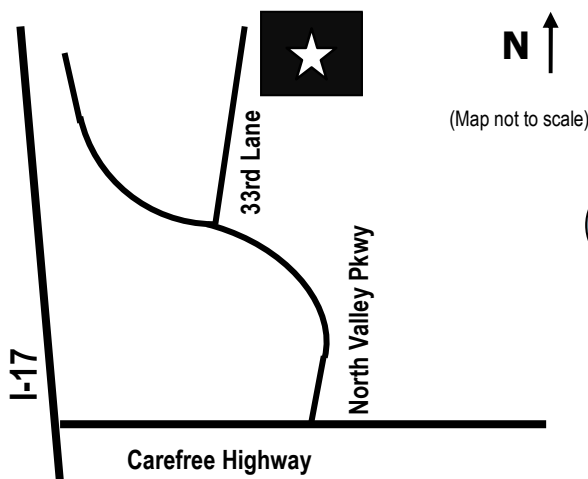

★ **Sunset Ridge Elementary
School - Library**
35707 N. 33rd Lane
Phoenix, Arizona

The meeting is an open house format - come anytime between 6 and 8 p.m. and talk one-on-one with project team members.

This is the third of the three scheduled public open house meetings, and will feature the **finalized Sonoran Desert Drive Alignment**.

The final alignment is based upon a myriad of variables, including community input throughout the process - most especially feedback given through the completion of Preferred Alternatives Surveys.

Thank you to all the many who engaged in this process. Your input was paramount to a very successful study!

Open House #1

Held on May 15, 2013, the study team recapped the history of the Sonoran Desert Drive Alignment, and introduced the goals of the current Sonoran Desert Drive Alignment Study including:

- **Refinement of the 2007 Alignment Study**
- **Develop and solicit community feedback for alternative intersection configurations for Sonoran Desert Drive and Dove Valley Road**
- **Determine collector roadway connection points between Sonoran Desert Drive and Dove Valley Road**
- **Define characteristics that make up the Sonoran Desert Drive Scenic Corridor by working closely with the community**

Open House #2

Held on July 25, 2013, the study team developed various roadway alignment and intersection alternatives. The community was encouraged to come learn about these alternatives and to:

- **Review Alignment and Intersection Alternatives**
- **Select and Rank Alternative Options in Order of Preference**
- **Provide Feedback and Comments**

Those who could not attend the public open house were invited to visit the Study website at www.sonorandesertdrivestudy.com to review the alternatives and complete the Preferred Alternatives Survey.

We look forward to seeing you there!
